

RACHEL-Plus Quick Start Guide

www.racheloffline.org

These passwords and addresses supercede the information enclosed in the glossy quick-start guide. The glossy guide refers to units without RACHEL installed.

When booting up, please allow 10-12 minutes for all services to be ready. Do not move the device or run the device while moving.

Note: Some videos require a modern web-browser to watch them. A download for a modern web browser has been included in the Windows Applications module on the RACHEL homepage.

For technical support, please visit forums at www.racheloffline.org below:
